The Death Benefit for paid-up policies at no time shall be less than 105% of Total Premiums Paid until death.

In case of survival to the Date of Maturity, You will receive the Paid-Up Sum Assured.

Here:

- $\text{Paid-Up Sum Assured} = (\text{Total Number of Premiums paid} / \text{Total Number of Premiums payable over the Policy Term}) \times \text{Base Sum Assured}$

Note: A paid-up Policy is not entitled for any Guaranteed Addition.

A Policyholder will have five years from the date of first unpaid premium and before the expiry of Policy term, to revive the paid-up Policy and payment of all outstanding premiums (including taxes) with applicable interest. Upon revival of a paid-up Policy, the Policy shall be eligible for full benefits in line with In-force Policy and the Policy will become eligible for Guaranteed Addition at Maturity.

Where, Paid-Up benefit on Maturity shall include:

1. Paid-Up Sum Assured (as defined in paid-up benefit section below)
2. Guaranteed Addition, provided the policyholder has paid all the premiums payable under the policy

Following formula will be applicable for calculating Surrender Value (SV) in case of Policy surrender between any two Policy Years:

Where *t*: Number of completed Policy Years

*X*: no of days till date of surrender from the last Policy anniversary

*SVF(t)*: The surrender value as at time point *t*.

The interest rate will be reset at the beginning of each Financial Year. Any change in formula used in deriving this interest rate will be subject to approval from appropriate Authority, if applicable. The current interest rate used for FY 2024-25 is 9.00% p.a.

c) The Policyholder can repay part or full amount of loan and/or loan interest at any time during the Policy Term.

d) If death, surrender or maturity takes place during the subsistence of loan, then, any loan and/or loan-interest outstanding as on the date of death, as on the date of surrender or as on the Maturity Date (as applicable) will be recovered from the Death Benefit, Surrender Value or Maturity Benefit respectively, as applicable.

For other than In-force and fully paid-up policy, in case the outstanding loan amount (including Interest) exceeds 95% of the Surrender Value anytime during the Policy Term, the Company will send an intimation/ reminder to the Policyholder for payment.   - d. the date of rider to the Policy  
whichever is later.
2. On the ground of fraud, a Policy of Life Insurance may be called in question within 3 years from
  - a. the date of issuance of Policy or
  - b. the date of commencement of risk or
  - c. the date of revival of Policy or
  - d. the date of rider to the Policy whichever is later.

For this, the insurer should communicate in writing to the insured or legal representative or nominee or assignees of insured, as applicable, mentioning the ground and materials on which such decision is based.

3. Fraud means any of the following acts committed by insured or by his agent, with the intent to deceive the insurer or to induce the insurer to issue a life insurance Policy:
  - a. The suggestion, as a fact of that which is not true and which the insured does not believe to be true;
  - b. The active concealment of a fact by the insured having knowledge or belief of the fact;
  - c. Any other act fitted to deceive; and
  - d. Any such act or omission as the law specifically declares to be fraudulent.
4. Mere silence is not fraud unless, depending on circumstances of the case, it is the duty of the insured or his agent keeping silence to speak or silence is in itself equivalent to speak.
5. No Insurer shall repudiate a life insurance Policy on the ground of Fraud, if the Insured / beneficiary can prove that the misstatement was true to the best of his knowledge and there was no deliberate intention to suppress the fact or that such misstatement of or suppression of material fact are within the knowledge of the insurer. Onus of disproving is upon the Policyholder, if alive, or beneficiaries.
6. Life insurance Policy can be called in question within 3 years on the ground that any statement of or suppression of a fact material to expectancy of life of the insured was incorrectly made in the proposal or other document basis which Policy was issued or revived or rider issued. For this, the insurer should communicate in writing to the insured or legal representative or nominee or assignees of insured, as applicable, mentioning the ground and materials on which decision to repudiate the Policy of life insurance is based.
7. In case repudiation is on ground of mis-statement and not on fraud, the premium collected on Policy till the date of repudiation shall be paid to the insured or legal representative or nominee or assignees of insured, within a period of 90 days from the date of repudiation.
8. Fact shall not be considered material unless it has a direct bearing on the risk undertaken by the insurer. The onus is on insurer to show that if the insurer had been aware of the said fact, no life insurance Policy would have been issued to the insured.
9. The insurer can call for proof of age at any time if he is entitled to do so and no Policy shall be deemed to be called in question merely because the terms of the Policy are adjusted on subsequent proof of age of life insured. So, this Section will not be applicable for questioning age or adjustment based on proof of age submitted subsequently.
