## 7. How can I increase my Sum Assured under this policy?

You can choose to increase your Sum Assured, without any medical underwriting, at various life events, up to the age of 55 years, as specified in the table below. The maximum increase in Sum Assured will be subject to overall limit of 100% of initial Sum Assured. You will have to pay the additional premium which will be based on attained age at the time of increase in Sum Assured. You also have to note that in order to exercise this option, you as the Life Assured should be underwritten at standard rate at the inception of the policy.

Additionally, this option to increase your Sum Assured will be available for you up to a time period of six months from the date of specified event.

However, note that you will be able to avail this benefit only if you have opted for Life Benefit, Income Benefit, Income Plus Benefit or Accident Shield Benefit Option.

Event	Extent of Increase	Coverage Options
Marriage	50% of initial Sum Assured subject to ₹10000000	This additional benefit is available under: 1. Life Benefit, 2. Income Benefit, 3. Income Plus Benefit, 4. Accident Shield Benefit only
1st Child Birth or Adoption	25% of initial Sum Assured subject to ₹5000000	
2nd Child Birth or Adoption	25% of initial Sum Assured subject to ₹5000000	
Home Loan	Equivalent to loan amount subject to overall limit of ₹10000000	

## 8. How can I reduce my Sum Assured under this policy?

In case you wish to reduce your Sum Assured you can do so, to the equal extent of Sum Assured increased under the specified event in the life of the Life Assured. Partial reduction of the increased Sum Assured is not allowed. The reduction in Sum Assured will be effective from the annual policy anniversary falling immediately after the date of notification and the premium will be decreased at the same time. The decrease in premium corresponding to the specified event of increase will be equal to the additional premium charged at the time of increase in Sum Assured benefit corresponding to that specific event as mentioned in the option to Increase Sum Assured. The option to decrease sum assured benefit cannot be availed by the policyholder during the last 5 policy years. Once sum assured is decreased it cannot be increased in future. You have to send a written request for reduction in Sum Assured at least two months prior to the annual policy anniversary.

## 9. What do you receive at the end of the policy term?

This is a pure protection policy. There is no maturity benefit payable under this policy.

## 10. What are the tax benefits in this policy?

Tax benefits may be available on premiums paid and benefits receivable as per prevailing Income Tax Laws. These are subject to change from time to time as per the Government Tax laws. Please consult your tax consultant before investing.

## 11. Can I get a loan in this policy?

No, loan is not allowed in this policy.

## 12. What happens in case you miss paying your premiums?

In the event of non-payment of premium due under the policy within the grace period the policy will lapse. The cover will cease and no further benefits will be payable in case of a lapsed policy.

If death/ADB/ATPD/CI occurs before the expiry of the grace period then the benefit paid will be same as mentioned in the benefits section above after deducting the due instalment premium before the date of death/ATPD/CI.

### What are your options to revive the policy?

You may revive the lapsed Policy within 5 years from the due date of first unpaid regular premium but before the Maturity Date by:

- submitting a written request for revival of the lapsed Policy;
- paying all unpaid due Premiums without any interest/late fees; and
- providing a declaration of good health and undergoing a medical examination at your own cost, if needed.

A lapsed Policy will only be revived along with all its benefits in accordance with our board approved underwriting policy. The Policy will terminate and you will not be entitled to receive any benefits, if the lapsed Policy is not revived till the expiry of the revival period.

### Are there any constraints to revive your policy?

Yes. You can revive your policy as long as you do it within five years from the due date of the first unpaid premium but before the maturity date. The revival is subject to satisfactory medical and financial requirements raised by the Company. The medical cost, if any to be borne by you.

### 13. Is there a grace period for missed premiums?

We provide you with a grace period which is the time provided for payment of premium from the premium due date during which the policy is considered to be in-force with the risk cover. This policy has a grace period of 30 days for yearly, half-yearly and quarterly frequencies and 15 days for monthly frequency from the premium due date.

All your policy benefits continue during this grace period and the policy will be considered to be in-force.

### 14. Can you surrender your policy?
