

Because a lifetime of  
security is a certainty!

**IndiaFirst Life Guaranteed Annuity Plan**

(Non Linked, Non-Participating, Individual Annuity Plan)

## Before You Start Reading

### **Important Note**

IndiaFirst Life Guaranteed Annuity Plan is referred to as the Policy throughout the brochure.

### **How Will This Brochure Help You?**

This brochure gives you details of how this plan works throughout its lifetime. It's an important document to refer to.

### **To Help Your Understanding**

We've done our best to explain everything as simply as possible; however, you're likely to come across some terms you're unfamiliar with. Where possible, we've explained these. We have used plain language that's easy to understand and believe this brochure is a good place to start when planning your future under this insurance plan.

## Introduction

### A lifetime income!

Everybody saves for their retirement years, but once they retire, how the saved pool be utilized to ensure regular income for rest of the life becomes the key question. People tend to use various financial instruments to park this fund and slowly dip into these for their regular needs. But what happens if you live longer than your saving pool? A timely preparation ensures, you have a smooth flow of income for your day to day needs, even if you are alive post 100 years.

Presenting, our IndiaFirst Life Guaranteed Annuity Plan which will provide you with the assurance of a regular income throughout your life.

## Executive Summary

### Key Features

- Get the assurance of a lifetime income
- Choose from 12 different annuity options as per your need

- Pick options like Joint Life or Family Income to support your loved ones even in your absence
- Protect your family even in case of an unfortunate event! Avail the Return of Purchase Price facility with options like Life Annuity, Joint Life Last Survivor Annuity, Deferred Life Annuity, Escalating Life Annuity and protect your nominee(s) as they get back the premium amount.
- Delay your annuity installments in sync with your needs as you choose the Deferred Life Annuity Option
- Get assurance through the Annuity Certain option! Receive your annuity amount for a pre-decided period irrespective of an unfortunate event and life thereafter
- Choose the Escalating Life Annuity option and receive an annuity amount growing at a constant rate
- No more fear of Critical Illness! Stay protected from Critical Illnesses as you get the amount in the form of purchase price and utilize it for your treatment
- Receive a regular monthly / quarterly / half-yearly / yearly income through your retirement years

## 1. What is the IndiaFirst Life Guaranteed Annuity Plan?

This is a non linked, non participating, annuity plan. The plan provides you 12 different options to choose from, to get a - regular income on a Monthly / Quarterly / Half-yearly / Yearly basis as chosen. This policy is available for both, our existing as well as new customers.

PRODUCT SNAPSHOT	
Age at entry (First Annuitant)	Minimum: 40 years as on last birthday Maximum: 80 years as on last birthday
Premium (Purchase Price)	Minimum: INR 100,000 Maximum: No limit
Annuity Amount	Minimum: INR 1,000 per month INR 12,500 per annum Maximum: No limit subject to underwriting

## 2. Who are the people involved in the policy?

This policy may include the 'Annuitant', the 'Nominee(s)' and the 'Appointee'.

### Who is an Annuitant?

An Annuitant is person entitled to receive the payouts. In case of Joint Life, the Primary Annuitant will initially receive the annuities, while the Secondary Annuitant will receive the annuities, in the event of death of the Primary Annuitant, as opted.

An annuitant has to be -

	<b>Minimum Age</b>	<b>Maximum Age</b>
First Annuitant	40 years as on last birthday (45 years in case of Deferred Life Annuity with return of Purchase Price and Deferred Life Annuity)	80 years as on last birthday

- In case of Joint life annuities, the age limits apply to both the lives.
- Annuitant(s) below the minimum age will only be accepted where the proceeds are from a contract issued or administered by IndiaFirst Life where compulsory purchase of annuity is required.
- Policy is purchased as QROPS (Qualifying Recognized Overseas Pension Scheme) through transfer of UK tax relieved assets, the minimum entry age for payment of annuity will be governed by the rules defined by HMRC (Her Majesty Revenue & Customs) from time to time.
- Higher ages at entry may be allowed to cater to the needs of NPS subscribers as per extant PFRDA guidelines.

### Who is a nominee(s)?

Nominee(s) is the person entitled to receive the purchase price under Return of Purchase Price option or Annuities under Annuity Certain option when the life assured has died before the end of chosen certain period.

### Who is an appointee?

Appointee is the person to whom the proceeds/benefits secured under the Policy are payable if the benefit becomes payable to the nominee(s) and nominee(s) is minor as on the date of annuity payment.

## 3. What are the annuity options and benefits available under this policy?

We provide you with 12 different options to purchase an annuity as per your requirements. The annuity amount in these options (except for Deferred Annuity options i.e. Option 6 & 7), will be payable in arrears, immediately after the commencement of the policy as per annuity payment frequency chosen by you, the annuitant. For Option 6 & 7, annuity is payable in arrears immediately after the completion of deferment period. The details of each are as given below -

<b>S.No.</b>	<b>Annuity Option</b>	<b>Benefits</b>
1.	<b>Life Annuity</b>	<ul style="list-style-type: none"><li>• The annuity amount will be payable in arrears for the life of the annuitant.</li><li>• The annuity will be paid as long as the annuitant is alive and ceases only on death of the annuitant.</li><li>• This option is applicable for a single life only</li></ul>
2.	<b>Life Annuity with return of 100% of purchase price</b>	<ul style="list-style-type: none"><li>• The annuity will be payable in arrears for the life of the annuitant.</li><li>• On the death of the annuitant the annuity payments will cease and 100% of purchase price will be payable to the nominee(s) / legal heir(s) of the annuitant.</li><li>• This option is applicable for a single life only</li></ul>
3.	<b>Joint Life Last Survivor Annuity for Life</b>	<ul style="list-style-type: none"><li>• The annuity will be payable in arrears for the life of the last surviving annuitant.</li><li>• On the death of the either annuitant, the annuity payment continues for the other annuitant.</li><li>• On the death of the both annuitants, the annuity payments will cease and no further amount will be payable.</li><li>• This option is applicable for joint life only, spouse, brother, sister, parents, parents-in-law, (implying relationships where insurable interest can be established) are allowed to buy this option.</li></ul>

4.	<b>Joint Life Last Survivor Annuity for Life with return of 100% of purchase price</b>	<ul style="list-style-type: none"> <li>• The annuity will be payable in arrears for the life of the last surviving annuitant.</li> <li>• On the death of the either annuitant, the annuity payment continues for the other annuitant.</li> <li>• On the death of the both annuitants, the annuity payments will cease and 100% of purchase price will be payable to the nominee(s) / legal heir(s) of the annuitant.</li> <li>• This option is applicable for joint life only, spouse, brother, sister, parents, parents-in-law, (implying relationships where insurable interest can be established) are allowed to buy this option.</li> </ul>
5.	<b>Annuity Certain for a period of 5,10,15 years and Life thereafter</b>	<ul style="list-style-type: none"> <li>• The annuity will be payable in arrears for the life of the annuitant or until the end of certain period whichever is later.</li> <li>• On the death of the annuitant or at the end of the certain period whichever is later the annuity payments will cease and no further amount will be payable.</li> <li>• The annuitant has the option to choose a certain period of 5 or 10 or 15 years</li> <li>• This option is applicable for single life only</li> </ul>
6.	<b>Deferred Life Annuity</b>	<ul style="list-style-type: none"> <li>• The deferment period in this option is of 5-10 years</li> <li>• The annuity rate shall be set at the inception of the policy</li> <li>• After the end of the deferment period; the annuity will be payable immediately in arrears as per annuity payment frequency chosen for the life of the annuitant.</li> <li>• On the death of the annuitant during deferment period; 110% of purchase price will be payable to the nominee(s) / legal heir(s) of the annuitant.</li> <li>• On the death of the annuitant after deferment period; the annuity payments will cease and no further amount will be payable.</li> <li>• This option is applicable for single life only</li> </ul>
7.	<b>Deferred Life Annuity with Return of Purchase Price</b>	<ul style="list-style-type: none"> <li>• The deferment period in this option is of 5-10 years</li> <li>• The annuity rate shall be set at the inception of the policy</li> <li>• After the end of the deferment period; the annuity will be payable immediately in arrears as per annuity payment frequency chosen for the life of the annuitant.</li> <li>• On the death of the annuitant during deferment period; 110% of purchase price will be payable to the nominee(s) / legal heir(s) of the annuitant.</li> <li>• On the death of the annuitant after deferment period; the annuity payments will cease and 100% of purchase price will be payable to the nominee(s) / legal heir(s) of the annuitant.</li> <li>• This option is applicable for single life only</li> </ul>
8.	<b>Life Annuity with Return of Purchase Price on diagnosis of Critical Illness or Death</b>	<ul style="list-style-type: none"> <li>• The annuity will be payable in arrears for the life of the annuitant as per the chosen annuity payment frequency.</li> <li>• Upon the annuitant being diagnosed with any of the covered critical illnesses (defined in Annexure I) or death, the annuity payments will cease and 100% of the purchase price will be payable to the annuitant or to the nominee(s) in case of annuitant's death and policy will be terminated</li> <li>• This option is applicable for single life only</li> </ul>

9.	<b>Life Annuity with Return of Purchase Price in parts</b>	<ul style="list-style-type: none"> <li>• The annuity will be payable in arrears for the life of the annuitant. At the end of 10th year, 30% of the purchase price will be paid to the annuitant on survival.</li> <li>• On death of the annuitant beyond 10 years, the annuity payments will cease and 70% of the purchase price will be paid to the nominee(s) / legal heir(s) of the annuitant.</li> <li>• On death of the annuitant within 10 years, the annuity payment will cease and 100% of purchase price will be payable to the nominee(s) / legal heir(s) of the annuitant.</li> </ul>
10.	<b>Escalating Life Annuity</b>	<ul style="list-style-type: none"> <li>• The annuity will be payable in arrears for the life of the annuitant</li> <li>• The annuity will increase every 3 years at simple rate of 5% on initial annuity</li> <li>• On the death of the annuitant the annuity payments will cease and no further amount will be payable</li> </ul>
11.	<b>Escalating Life Annuity with Return of Purchase price</b>	<ul style="list-style-type: none"> <li>• The annuity will be payable in arrears for the life of the annuitant</li> <li>• The annuity will increase every 3 years at simple rate of 5% on initial annuity</li> <li>• On the death of the annuitant the annuity payments will cease and 100% of purchase price will be payable to the nominee(s) / legal heir(s) of the annuitant</li> </ul>
12.	<b>NPS - Family Income</b>	<ul style="list-style-type: none"> <li>• Under this option, the annuity benefit would be payable in accordance with the regulations as prescribed by Pension Fund Regulatory and Development Authority (PFRDA).</li> <li>• As per current regulations, the annuity benefit will be payable for life of the annuitant and his/her spouse as per the annuity option "Joint Life Last Survivor with Return of Purchase Price". In case, the annuitant does not have a spouse, the annuity benefit will be payable for life of the annuitant as per the annuity option "Life Annuity with Return of 100% of Purchase Price".</li> <li>• In case of demise of the annuitant before the vesting of the annuity, the annuity benefits will be payable for life of the spouse as per the annuity option "Life Annuity with Return of 100% of Purchase Price".</li> <li>• On death of the annuitant (s), the annuity payment would cease and refund of the purchase price shall be utilized to purchase an annuity contract afresh for living dependent parents (if any) as per the order specified below. <ul style="list-style-type: none"> <li>(a) Living dependent mother of the deceased annuitant</li> <li>(b) Living dependent father of the deceased annuitant</li> </ul> </li> <li>• However, the annuity amount would be revised and determined as per the annuity option "Life Annuity with Return of 100% of Purchase Price" using the annuity rate prevalent at the time of purchase of such annuity by utilizing the Purchase Price required to be refunded to the nominee(s) under the annuity contract.</li> <li>• The annuity would continue until all such family members in the order specified above are covered. After the coverage of all such family members, the Purchase Price shall be returned to the surviving children of the annuitant and in the absence of the children, the legal heirs of the annuitant, as may be applicable.</li> <li>• In case no such family members exist upon the death of the last survivor, there would be a refund of the Purchase Price to the nominee(s).</li> </ul>

#### 4. Which Critical Illnesses are covered in this policy and what are the disease specific exclusions of each?

<p>Cancer of Specified Severity (malignant tumour)</p>	<p>A malignant tumor characterized by the uncontrolled growth and spread of malignant cells with invasion and destruction of normal tissues. This diagnosis must be supported by histological evidence of malignancy. The term cancer includes leukemia, lymphoma and sarcoma.</p> <p>Exclusion -</p> <ul style="list-style-type: none"> <li>▪ All tumors which are histologically described as carcinoma in situ, benign, pre-malignant, borderline malignant, low malignant potential, neoplasm of unknown behaviour, or non-invasive, including but not limited to: Carcinoma in situ of breasts, Cervical dysplasia CIN-1, CIN-2 and CIN-3.</li> <li>▪ Any non-melanoma skin carcinoma unless there is evidence of metastases to lymph nodes or beyond;</li> <li>▪ Malignant melanoma that has not caused invasion beyond the epidermis;</li> <li>▪ All tumors of the prostate unless histologically classified as having a Gleason score greater than 6 or having progressed to at least clinical TNM classification T2N0M0</li> <li>▪ All Thyroid cancers histologically classified as T1N0M0 (TNM Classification) or below;</li> <li>▪ Chronic lymphocytic leukaemia less than RAI stage 3</li> <li>▪ Non-invasive papillary cancer of the bladder histologically described as TaN0M0 or of a lesser classification,</li> <li>▪ All Gastro-Intestinal Stromal Tumors histologically classified as T1N0M0 (TNM Classification) or below and with mitotic count of less than or equal to 5/50 HPFs;</li> </ul>
<p>First Heart Attack of Specified Severity (Myocardial Infraction)</p>	<p>The first occurrence of heart attack or myocardial infarction, which means the death of a portion of the heart muscle as a result of inadequate blood supply to the relevant area. The diagnosis for Myocardial Infarction should be evidenced by all of the listed criteria:</p> <ol style="list-style-type: none"> <li>1. A history of typical clinical symptoms consistent with the diagnosis of acute myocardial infarction (For e.g. typical chest pain),</li> <li>2. New characteristic electrocardiogram changes and</li> <li>3. Elevation of infarction specific enzymes, Troponins or other specific biochemical markers</li> </ol> <p>Exclusion -</p> <ul style="list-style-type: none"> <li>▪ Other acute Coronary Syndromes</li> <li>▪ Any type of angina pectoris</li> <li>▪ A rise in cardiac biomarkers or Troponin T or I in absence of overt ischemic heart disease OR following an intra-arterial cardiac procedure</li> </ul>
<p>Open Chest CABG</p>	<p>The actual undergoing of heart surgery to correct blockage or narrowing in one or more coronary artery(s), by coronary artery bypass grafting done via a sternotomy (cutting through the breast bone) or minimally invasive keyhole coronary artery bypass procedures. The diagnosis must be supported by a coronary angiography and the realization of surgery has to be confirmed by a cardiologist</p> <p>Exclusion -</p> <ul style="list-style-type: none"> <li>▪ Angioplasty and/or any other intra-arterial procedures</li> </ul>

Open Heart Replacement or Repair of Heart Valves	<p>The actual undergoing of open-heart valve surgery is to replace or repair one or more heart valves, as a consequence of defects in, abnormalities of, or disease affected cardiac valve(s). The diagnosis of the valve abnormality must be supported by an echocardiography and the realization of surgery has to be confirmed by a specialist medical practitioner.</p> <p>Exclusion -</p> <ul style="list-style-type: none"> <li>▪ Catheter based techniques including but not limited to, balloon valvotomy/valvuloplasty</li> </ul>
Coma of specified Severity	<p>A state of unconsciousness with no reaction or response to external stimuli or internal needs. This diagnosis must be supported by evidence of - No response to external stimuli continuously for at least 96 hours; Life support measures are necessary to sustain life; and Permanent neurological deficit which must be assessed at least 30 days after the onset of the coma. The condition has to be confirmed by a specialist medical practitioner.</p> <p>Exclusion -</p> <ul style="list-style-type: none"> <li>▪ Coma resulting from alcohol or drug abuse</li> </ul>
Kidney Failure requiring regular dialysis	<p>End stage renal disease presenting as chronic irreversible failure of both kidneys to function, as a result of which either regular renal dialysis (haemodialysis or peritoneal dialysis) is instituted or renal transplantation is carried out. Diagnosis has to be confirmed by a specialist medical practitioner.</p>
Stroke resulting in Permanent Symptoms	<p>Any cerebrovascular incident producing permanent neurological sequelae. This includes infarction of brain tissue, thrombosis in an intracranial vessel, haemorrhage and embolisation from an extracranial source. Diagnosis has to be confirmed by a specialist medical practitioner and evidenced by typical clinical symptoms as well as typical findings in CT Scan or MRI of the brain. Evidence of permanent neurological deficit lasting for at least 3 months has to be produced.</p> <p>Exclusion -</p> <ul style="list-style-type: none"> <li>▪ Transient ischemic attacks (TIA)</li> <li>▪ Traumatic injury of the brain</li> <li>▪ Vascular disease affecting only the eye or optic nerve or vestibular functions.</li> </ul>
Major Organ or Bone Marrow Transplant (as recipient)	<p>The actual undergoing of a transplant of: heart, lung, liver, kidney, pancreas, that resulted from irreversible end-stage failure of the relevant organ, or Human bone marrow using haematopoietic stem cells. The undergoing of a transplant has to be confirmed by a specialist medical practitioner.</p> <p>Exclusion -</p> <ul style="list-style-type: none"> <li>▪ Other stem-cell transplants</li> <li>▪ Where only Islets of Langerhans are transplanted</li> </ul>
Permanent Paralysis of Limbs	<p>Total and irreversible loss of use of two or more limbs as a result of injury or disease of the brain or spinal cord. A specialist medical practitioner must be of the opinion that the paralysis will be permanent with no hope of recovery and must be present for more than 3 months</p>

<p>Motor Neurone Disease with Permanent Symptoms</p>	<p>Motor neuron disease diagnosed by a specialist medical practitioner as spinal muscular atrophy, progressive bulbar palsy, amyotrophic lateral sclerosis or primary lateral sclerosis. There must be progressive degeneration of corticospinal tracts and anterior horn cells or bulbar efferent neurons. There must be current significant and permanent functional neurological impairment with objective evidence of motor dysfunction that has persisted for a continuous period of at least 3 months.</p>
<p>Loss of Limbs</p>	<p>The physical separation of two or more limbs, at or above the wrist or ankle level limbs as a result of injury or disease. This will include medically necessary amputation necessitated by injury or disease. The separation has to be permanent without any chance of surgical correction.</p> <p>Exclusion –</p> <ul style="list-style-type: none"> <li>▪ Loss of Limbs resulting directly or indirectly from self-inflicted injury, alcohol or drug abuse</li> </ul>
<p>Blindness</p>	<p>Total, permanent and irreversible loss of all vision in both eyes as a result of illness or accident. The Blindness is evidenced by: corrected visual acuity being 3/60 or less in both eyes, the field of vision being less than 10 degrees in both eyes. The diagnosis of blindness must be confirmed and must not be correctable by aids or surgical procedure.</p>
<p>Alzheimer’s Disease</p>	<p>Deterioration or loss of intellectual capacity as confirmed by clinical evaluation and imaging tests, arising from Alzheimer’s Disease or irreversible organic disorders, resulting in significant reduction in mental and social functioning requiring the continuous supervision of the Life Assured for a minimum period of 6 months from date of diagnosis. This diagnosis must be supported by the clinical confirmation by an appropriate Registered Medical practitioner who is also a Neurologist and supported by the Company’s appointed doctor.</p> <p>Exclusions:</p> <ol style="list-style-type: none"> <li>i. Non-organic disease such as neurosis and psychiatric illnesses; and</li> <li>ii. Alcohol-related brain damage.</li> </ol>
<p>Primary (Idiopathic) Pulmonary Hypertension</p>	<ol style="list-style-type: none"> <li>I. An unequivocal diagnosis of Primary (Idiopathic) Pulmonary Hypertension by a Cardiologist or specialist in respiratory medicine with evidence of right ventricular enlargement and the pulmonary artery pressure above 30 mm of Hg on Cardiac Catheterization. There must be permanent irreversible physical impairment to the degree of at least Class IV of the New York Heart Association Classification of cardiac impairment.</li> <li>II. The NYHA Classification of Cardiac Impairment are as follows: <ol style="list-style-type: none"> <li>i. Class III: Marked limitation of physical activity. Comfortable at rest, but less than ordinary activity causes symptoms.</li> <li>ii. Class IV: Unable to engage in any physical activity without discomfort. Symptoms may be present even at rest.</li> </ol> <p>Pulmonary hypertension associated with lung disease, chronic hypoventilation, pulmonary thromboembolic disease, drugs and toxins, diseases of the left side of the heart, congenital heart disease and any secondary cause are specifically excluded.</p> </li> </ol>

Multiple Sclerosis with Persisting Symptoms	<p>i. The unequivocal diagnosis of Definite Multiple Sclerosis confirmed and evidenced by all of the following:</p> <p>i. investigations including typical MRI findings which unequivocally confirm the diagnosis to be multiple sclerosis and</p> <p>ii. there must be current clinical impairment of motor or sensory function, which must have persisted for a continuous period of at least 6 months.</p> <p>Other causes of neurological damage such as SLE is excluded.</p>
Aortic Surgery or Aorta Graft Surgery	<p>Open Aortic Surgery ("OAS") or Aortic graft surgery (also known as Open aortic repair, "OAR") involves an abdominal or retroperitoneal surgical incision to visualize and control the aorta for purposes of treatment. It involves exposure of the dilated portion of the aorta and insertion of a synthetic (Dacron or Gore-Tex) graft (tube) for treatment. OAS is used to treat aneurysms of the abdominal and thoracic aorta, aortic dissection, acute aortic syndrome, and aortic ruptures.</p> <p>Exclusion - Aortic valve repair and Aortic valve replacement</p>

## 5. What is the premium in this policy?

The premium (purchase price) in this policy is a one-time payment, as per below given limits.

Minimum Premium	Maximum Premium
Rs. 100,000	No limit

- This minimum premium is not applicable for the proceeds from the contract issued or administered by IndiaFirst Life, where compulsory purchase of annuity is required and to the subscribers of the National Pension System regulated by the Pension Fund Regulatory and Development Authority (PFRDA).
- The minimum premium should be such that minimum annuity installment criteria is fulfilled under any of the available annuity option from IndiaFirst Life.
- Tax benefit may be available on premium (purchase price) paid as per prevailing tax laws. These are subject to change from time to time.

## 6. What are the annuity payment frequencies available?

You may choose to receive your annuity payments in Monthly, Quarterly, Half-yearly or Yearly frequencies as per your need. The first annuity payment will be due on monthly, quarterly, half-yearly, yearly, in arrear, with respect to the annuity payment mode chosen. Annuity instalment amount will be determined by multiplying the yearly annuity rate with the factors as per annuity frequency chosen as per below table:

Annuity Payment Frequency	Factor to be multiplied with yearly annuity Rate
Yearly	1
Half-Yearly	0.49
Quarterly	0.24
Monthly	0.08

## 7. How much can you receive as an annuity payment?

<b>Annuity Mode</b>	<b>Annuity Mode</b>
Minimum Annuity installment per month	INR 1,000
Minimum Annuity installment per annum	INR 12,500
Maximum Annuity installment	No limit subject to Board approved Underwriting criteria, if any.

- The minimum annuity payouts shall be in accordance with IRDAI (Minimum Limits for Annuities and Other Benefits) Regulations, 2015, as amended from time to time except subscribers of the NPS regulated by PFRDA.

### Can you increase your annuity payments?

Yes; you can increase your annuity amount through top-up option.

- The annuity option will be same as opted at the time of purchase
- The additional annuity amount will be based on the top-up amount.
- The annuity rate will be based on the age at the time of availing top-up option.
- The annuity rate prevailing at the time of top-up will be applicable.

## 8. What are the annuity rates under this policy?

The annuity rates will be level and guaranteed for life in absolute terms at the time of purchasing except the Escalating Life Annuity and Escalating Life Annuity with Return of Purchase Price option. Such annuity amount shall become payable as long as the annuitant survives.

The following enhancement factors will be applicable on annuity rate based on the different bands of purchase price:

<b>Purchase Price Band/Age Band</b>	<b>Up to 70 years</b>	<b>Above 70 years</b>
<b>1,00,000 to less than 2,00,000</b>	0.00%	0.00%
<b>2,00,000 to less than 3,00,000</b>	2.00%	0.50%
<b>3,00,000 to less than 4,00,000</b>	2.75%	0.75%
<b>4,00,000 to less than 7,00,000</b>	3.00%	1.00%
<b>7,00,000 to less than 20,00,000</b>	3.50%	1.00%
<b>20,00,000 and above</b>	4.00%	1.25%

## 9. What are the tax benefits under this policy?

Tax benefits (if any) may be available on premiums paid and benefit receivable as per prevailing Income Tax Laws. Tax benefits are subject to change from time to time as per the Income Tax Act, 1961. Please consult your tax consultant before purchasing an annuity.

## 10. What are the benefits/payout if this policy is purchased as QROPS (Qualifying Recognized Overseas Pension Scheme), through transfer of UK tax relieved assets?

- Cancellation in the Freelook Period: If the policy is purchased as QROPS through transfer of UK tax relieved assets, the freelook cancellation amount, as per product, shall only be transferred back to the fund house from where the money was received.
- No-Forfeiture Benefit: If the policy is purchased as QROPS through transfer of UK tax relieved assets, access to benefits/annuity payout from this policy starts at least when policyholder attains 55 years of age.
- Oversees Transfer Charge: In the event of applicable tax charge arising as result of an overseas transfer [HMRC (Her Majesty Revenue & Customs) policy paper: The overseas transfer charge- guidance, published 8th March 2017] for which IndiaFirst Life, as scheme Manager may become liable and shall deduct an amount only to the extent of the applicable tax charge from the policy value and remit the same to HMRC.

## 11. Can you surrender this policy?

It is advisable to continue your policy to enjoy full benefits of your policy. However, we understand that in certain circumstances you may want to surrender your policy. You will be eligible to receive a surrender value only if you have bought any of the below options. The Guaranteed Surrender Value (GSV) will be:

<b>Annuity Option</b>	<b>Guaranteed Surrender Value (GSV)</b>
Life Annuity with return of 100% of purchase price	10% of the purchase price
Joint Life Last Survivor Annuity for Life with return of 100% of purchase price	10% of the purchase price
Deferred Life Annuity with Return of Purchase Price where deferral period is 5 to 10 years	During Deferral Period: <ul style="list-style-type: none"> <li>▪ 75% of Purchase Price during first three (3) policy years</li> <li>▪ 90% of Purchase Price thereafter, for the remaining Deferral Period</li> </ul> After Deferral Period: 10% of Purchase Price
Life Annuity with Return of Purchase Price on diagnosis of Critical Illness	10% of the purchase price
Life Annuity with Return of Purchase Price in parts	10% of the purchase price
Escalating Life Annuity with Return of Purchase price	10% of the purchase price

Depending on the prevailing market conditions, the company may pay a higher Surrender value than the one mentioned in the above table, in the form of a Special Surrender Value. Currently, the Special Surrender Value (SSV) is the same as Guaranteed Surrender Value. The SSV may be revised from time to time with prior approval of the Authority. For the purpose of computing the surrender benefits, the purchase price excludes taxes and levies as applicable.

## 12. Can you cancel this policy (Free-look)?

You can return your policy document if you disagree with any of the terms and conditions within the first 15 (fifteen) days of receipt of your Policy document. In case you have bought this Policy through Distance Marketing or electronic mode, then, you may return the Policy within 30 (thirty) days from the date of receipt of your Policy document.

You will need to send us the original Policy document and a written request stating your reasons for cancellation, post which we will cancel the policy and refund your Premium within 15 days of receipt of the request after deducting annuity paid, if any and stamp duty paid.

In case of a contract of compulsory annuity purchase from IndiaFirst Life Insurance Company, the money will not be refunded if the free look option is availed within the free look period however, you can choose to avail another annuity option as available in the product within the free look period.

In case you have purchased this policy out of Transfer proceeds (QROPS) or out of corpus from vesting of your pension policy from any other company, insurer, or institution (including NPS); we will refund the monies directly to the respective account from where purchase price was received. We will not pay you any interest on the monies held by us during this interim period.

## 13. What are your options to revive the policy?

Revival is not applicable under this policy.

## 14. What is the Suicide Exclusion in the policy?

In case of death due to suicide within 12 months from the date of commencement of risk under the policy or from the date of revival of the policy, as applicable, the nominee or beneficiary of the policyholder shall be entitled to at least 80% of the total premiums paid till the date of death or the surrender value available as on the date of death whichever is higher, provided the policy is in force.

## 15. Nomination

Allowed as per the provisions of Section 39 of the Insurance Act, 1938 as amended from time to time. For more details on the nomination, please refer to our website [www.indiafirstlife.com](http://www.indiafirstlife.com)

## 16. Assignment

Allowed as per the provisions of Section 38 of the Insurance Act, 1938 as amended from time to time. For more details on the assignment, please refer to our website [www.indiafirstlife.com](http://www.indiafirstlife.com)

## 17. Prohibition of Rebate

As per provisions of Section 41 of the Insurance Act, 1938 as amended from time to time. No person shall allow or offer to allow, either directly or indirectly, as an inducement to any person to take or renew or continue an insurance in respect of any kind of risk relating to lives or property in India, any rebate of the whole or part of the commission payable or any rebate of the premium shown on the policy, nor shall any person taking out or renewing or continuing a policy accept any rebate, except such rebate as may be allowed in accordance with the published prospectus or tables of the insurer. Provided that acceptance by an insurance agent of commission in connection with a policy of life insurance taken out by himself on his own life shall not be deemed to be acceptance of a rebate of premium within the meaning of this sub-section if at the time of such acceptance the insurance agent satisfies the prescribed conditions establishing that he is a bonafide insurance agent employed by the insurer. Any person making default in complying with the provisions of this section shall be liable for a penalty which may extend to ten lakh rupees. For more details please refer to our website [www.indiafirstlife.com](http://www.indiafirstlife.com)

## 18. Fraud and Misrepresentation

As per provisions of Section 45 of the Insurance Act, 1938 as amended from time to time. For more details please refer to our website [www.indiafirstlife.com](http://www.indiafirstlife.com)

## 19. About IndiaFirst Life Insurance

We've had Bank of Baroda, Andhra Bank (now, Union Bank of India) and Legal & General as our founding partners. After journeying with us through our years of growth, Legal & General sold its stake in Feb 2019 to Carmel Point Investments India Private Limited, a body corporate incorporated under the laws of Mauritius and owned by private equity funds

managed by Warburg Pincus LLC. This is the first deal wherein a private equity fund has taken an interest in a life insurance company. Our shareholding pattern of the company now stands at: Bank of Baroda - 44.00%, Union Bank of India - 30.00%, and Carmel Point Investments India Private Limited - 26.00%.

Tax exemptions are as per applicable tax laws from time to time.
