b) Choose the following PORTFOLIO STRATEGY:

1) Enhanced Systematic Money Allocation & Regular Transfer (Enhanced SMART)

Enhanced SMART is a systematic transfer plan available only to the policies with the annual / single mode of payment. It allows a customer to enter the volatile equity market in a structured manner under the Regular / Single Premium Fund. Under Enhanced SMART, you need to choose two funds, a debt oriented fund and an equity oriented fund. Please refer to table below for the choice of available funds:

Debt oriented funds	Equity oriented funds
<ul style="list-style-type: none"> • Whole Life Income Fund • Whole Life Short-Term Fixed Income Fund 	<ul style="list-style-type: none"> • Large Cap Equity Fund • Whole Life Mid Cap Equity Fund • Multi Cap Fund • India Consumption Fund • Top 50 fund • Top 200 fund • Super Select Equity Fund

This strategy is applicable till premium payment term only and is not available with top-up premium fund.

Through Enhanced SMART, your entire annual/single allocable premium will be parked in the chosen debt oriented fund along with any existing units in that fund, if any. These combined units in the chosen debt oriented fund will be systematically transferred on a monthly basis to the chosen equity oriented fund. All your future allocable premiums will also follow the same pattern as long as Enhanced SMART is active on your plan. Switching to / from the Enhanced SMART funds to other available funds is not allowed.

Thus, while the stock market remains volatile and unpredictable, Enhanced SMART strategy offers a systematic way of rupee cost averaging. However, all investments through this option are still subject to investment risks, which shall continue to be borne by you.

A portion of total units in the chosen debt oriented fund shall be switched automatically into the chosen equity oriented fund in the following way:

Monthly Enhanced SMART

Policy Month 1	1/12 of the units available at the beginning of Policy Month 1
Policy Month 2	1/11 of the units available at the beginning of Policy Month 2
.....	
Policy Month 6	1/ 7 of the units available at the beginning of Policy Month 6
.....	
Policy Month 11	½ of the units available at the beginning of Policy Month 11
Policy Month 12	Balance units available at the beginning of Policy Month 12

The following are the notable features of Enhanced SMART:

- Enhanced SMART can be availed at the option of the policyholder, exercisable at policy inception or on any policy anniversary. A written request to commence, change or restart Enhanced SMART should be received 30 days in advance of the policy anniversary. The request shall take effect on the following policy anniversary. Once chosen the strategy will be applicable for future premiums for all the premium payment terms except single premium.
- Request for commencement, change or restart of Enhanced SMART will be subject to all due premiums being paid.
- Enhanced SMART option is available only to the policies with the annual / single mode of payment.
- The automatic fund switches in the Enhanced SMART option are available out of the 12 free switches.
- Enhanced SMART is free of any charge.
- The policyholder will have the option to stop the Enhanced SMART at any point of time by a written request and it shall take effect from the next Enhanced SMART switching that follows the Company's receipt
- Manual fund switching for the two funds selected for activation of Enhanced SMART is not allowed. Manual fund switching is allowed on other available funds at applicable charges. For Top-up premiums, manual switching option will be available at applicable charges.
- Any amount remaining in regular premium funds other than the two funds selected for activation of Enhanced SMART, would continue to remain invested in those funds.
- Enhanced SMART Option will not be available during Discontinuance of Premium. On revival of the policy, you can opt for Enhanced SMART again.

In Case of Single Premium option:

- Enhanced SMART strategy can only be opted for at policy inception.
- Enhanced SMART strategy will be applicable for policy year 1 only.

- From the end of year 1, the amount will remain invested in the Equity oriented fund as chosen by customer under Enhanced SMART strategy.
- Customer has an option to do manual fund switching to other available funds after the end of policy year 1.

The Company may cease offering Enhanced SMART by giving 30 days of written notice subject to prior approval of Insurance Regulatory and Development Authority of India.

Tracking and Assessing Your Investments

You can monitor your investments

- On our website (www.tataaia.com);
- Through the annual statement detailing the number of units you have in each investment fund and their respective then prevailing NAV; and
- Through the published NAVs of all investment funds on our website and Life council's website.

What are the other benefits in your policy³?

This is a single / Regular / limited payment policy with protection for a chosen policy term and it is in your best interest to stay invested for the entire term. This will enable you to pay for a short term and enjoy all the special benefits offered under this innovative product for the rest of your life. However, for contingency needs during the term of the policy, you may avail of the Partial Withdrawal option. In case if you have a surplus income, you may invest the same in your plan though top-ups.

Flexibility of Partial Withdrawals

In case you need money for any emergency or otherwise, this plan enables you to withdraw from your fund. The withdrawals from regular / Single Premium Fund are allowed after five policy anniversaries from the date of issuance of your policy, provided the policy is in force.

- Partial withdrawal from the Top-up Premium Fund can be allowed anytime after five policy anniversaries from the date of acceptance of each such Top-up Premium paid.
- For Regular Premium policy, minimum partial withdrawal amount is ₹ 5,000 subject to Total Fund Value post such withdrawals being not less than an amount equivalent to one year's Annualised Regular Premium.
- For Single Premium policy, minimum partial withdrawal amount is ₹ 5,000 subject to Total Fund Value post such withdrawals being not less than an amount equivalent to 5% of Single Premium paid.
- Partial withdrawal is allowed only after insured attains 18 years of age.
- Partial Withdrawals should be made first from the Top-up Premium Fund (if any) and then from the Regular / Single Premium Fund, if amount in the Top-up Premium Fund is insufficient.
- Maximum of four (4) partial withdrawals are allowed in a policy year and we levy no charges for making the partial withdrawals.

- The partial withdrawals shall not be allowed if it would result in termination of the contract.

Flexibility of Top-ups

You have the flexibility to pay additional premium as 'Top-up Premium', provided the policy is in force

- Top-up premiums can be paid any time except during the last five years of the policy term, subject to underwriting, as long as all due premiums have been paid.
- You can Top-up your policy up to four times in a policy year.
- The minimum Top-up amount is ₹ 5,000/-. Acceptance of Top up Premium is subject to prevailing underwriting rules.
- Top-up premiums can be allocated in any proportion between the funds offered as chosen by the policyholder.
- Every Top up Premium will have a lock- in period of five years from the date of acceptance of such Top up premiums except in case of complete withdrawal of policy.
- At any point of time, the total Top-up premiums paid shall not exceed the sum of the total regular premiums / single premium paid
- Top-up premiums are subject to charges as described under "What are my Policy charges?"

Top-up Sum Assured

Your Sum Assured will increase by Top-up Sum Assured when you avail of a Top-up. Limits on Top-up Sum Assured multiples are based on the age of the life assured at the time of paying the Top-up premium.

Top-up Sum Assured will be as below-

For age <45 years – 1.25 times the Top-up Premium

For age >= 45 years – 1.1 times the Top-up Premium

Increase or decrease in the Top-up Sum Assured is not allowed.

Flexibility of Premium Mode

You may choose to pay your premiums⁴ Annually, Semi-annually, Quarterly, Monthly or even single time as per your convenience.

⁴Monthly Premium = 0.0833 of Annualised Premium, Quarterly Premium = 0.25 of Annualised Premium, Semi-annual premium = 0.50 of Annualised Premium subject to minimum premium conditions for each mode.

Settlement Option

Provided policyholder is alive on the maturity date, you have an option to receive the maturity amount either in lump sum or in installments over a period of time. This period, termed as Settlement Period, may be extended up to a maximum of five years from the date of maturity. The timing and amount of the installments will be chosen by you at the time of maturity while exercising this option. The value of such periodical payments will depend on the performance of the Funds selected for investment. Switching and partial withdrawals (other than the

aforesaid periodical payments) are not available during the Settlement Period. At any time during the settlement period, you have the option to withdraw the Total Fund Value at that time

During Settlement Period, (i) No life cover or other insurance cover will be provided. In the unfortunate event of death, the Total Fund Value at the time of death will be returned to the Nominee. (ii) Fund Management Charge will be deducted as shown under “What are my Policy Charges?”

During this Settlement Period, the inherent investment risk will be borne by the Policyholder.

Flexibility of Additional Coverage⁵

You have further flexibility to customize your product by adding the following optional riders. The charges for these riders, if opted for, will be recovered by cancellation of units from the basic plan. The riders can be attached only at the policy inception and can only be offered only if minimum premium multiple is chosen.

For Regular / Limited Pay- the Policyholders have an option to choose any one of the following riders:

1. Tata AIA Life Insurance Waiver of Premium (Linked) Rider
2. Tata AIA Life Insurance Waiver of Premium Plus (Linked) Rider
3. Tata AIA Life Insurance Accidental Death and Dismemberment (Long Scale) (ADDL) Linked Rider

For Single Pay- the Policyholders have an option to choose the following rider:

Tata AIA Life Insurance Accidental Death and Dismemberment (Long Scale) (ADDL) Linked Rider

Tata AIA Life Insurance Accidental Death and Dismemberment (Long Scale) (ADDL) Linked Rider (UIN: 110A027V01)

This rider ensures protection of your family by paying your nominee an amount equal to the rider sum assured in case of an accidental death. In case of severe dismemberment like loss of limbs or bodily functions or severe burns due to an accident, it will pay a percentage of the rider sum assured as per the ADDL benefit chart. The benefits will be doubled in case of certain accidental death or dismemberments.

This rider will be allowed from entry age of 18 years upto 59 years and maximum maturity age of 70 years.

The maximum rider sum assured is restricted to 50% of basic sum assured for the premium paying term of 7 years and maximum rider sum assured is equal to 100% of basic sum assured for any other chosen premium paying terms. This rider is not available with premium paying term of 5 years.

Tata AIA Life Insurance Waiver of Premium (Linked) Rider (UIN: 110A026V01)

This rider provides for the waiver of all future premiums of the basic policy which fall due while the proposer is totally and permanently disabled (provided that the disability commences before the proposer reaches 65 years or the end of premium payment term of the basic plan, whichever is earlier). This rider

will be allowed from entry age of 18 years upto 59 years and maximum maturity age of 65 years. This rider is not available with premium paying term of 5 years.

Tata AIA Life Insurance Waiver of Premium Plus (Linked) Rider (UIN: 110A025V01)

This rider provides for the waiver of all future premiums of the basic policy which fall due in case of death or while the proposer is totally and permanently disabled (provided that the death occurs /disability commences before the proposer reaches 65 years or the end of premium payment term of the basic plan, whichever is earlier). This rider will be allowed from entry age of 18 years upto 57 years (of the Proposer) and maximum maturity age of 65 years (of the Proposer). This rider is not available with premium paying term of 5 years.

⁵These are Unit deducting riders and no separate premium needs to be paid.

³For more details on the benefits, premiums and exclusions under these riders please refer to the Rider Brochure or contact our Insurance advisor or visit our nearest branch office.

How is the NAV calculated?

The Net Asset Value (NAV) of the segregated funds shall be computed as:

Market value of investment held by the fund + value of current assets - (value of current liabilities and provisions, if any)

Number of units existing on Valuation Date (before creation/redemption of units)

The Net Asset value (NAV) will be determined and published daily in various financial newspapers and will also be available on www.tataaia.com, the official website of Tata AIA Life. All you have to do is multiply the number of Units you have with the published NAV to arrive at the value of your investments.

Credit/Debit of Units

Premiums received, after deducting the Regular Premium/Single Premium / Top-up Premium Allocation Charge and applicable taxes, cesses & levies will be used to purchase Units at the NAV according to your instruction for allocation of Premium. Units purchased by Regular /Single Premium and Top-up Premium, net of payable premium allocation charge and applicable taxes, cesses & levies will be deposited into the Regular/Single Premium Fund Value and Top-up Premium Fund Value respectively.

Where notice is required (Partial Withdrawal, Complete withdrawal or death of the Insured), Units being debited shall be valued by reference to their NAV as specified in the section “Cut-off time for determining the appropriate valuation date”

Cut-off time for determining the appropriate valuation date

The appropriate valuation date at which NAV will be used to purchase or redeem Units shall be determined in the

following manner:-

- a) Purchase & Allocation of Units in respect of Premiums received or Fund Value(s) switched in:

What if I want to discontinue paying premiums?

Discontinuance of Premiums

Discontinuance of Premium within Five Years from the Date of Commencement

Where a Regular Premium due before the fifth policy anniversary remains unpaid at the end of the Grace Period, the Company shall send a notice within a period of 15 days from the date of expiry of grace period to Policyholder to exercise below referred options, within a period of 30 days of receipt of such notice.

Policyholder can choose one of the following options:

- a) To revive the Policy within a period of two years from the date of discontinuance or
- b) Complete withdrawal from the Policy without any risk cover

From the expiry of the Grace Period, till Policyholder exercises the option or till the expiry of notice period whichever is earlier, the Policy is deemed to be in force and the risk cover will continue. During this period Mortality charge, Fund Management charges, Optional rider charges and Policy Administration Charges will be deducted as due. In case of death during this period, the death benefit as mentioned under "Death Benefit" shall be payable immediately.

If Policyholder exercises the option (a) i.e. to revive the policy, till the Policy is revived, the Policy will move into Discontinuance mode post deduction of discontinuance charges, as applicable.

Policyholder can revive the Policy within two years from the date of Discontinuance of Policy. At the time of revival, Policyholder is required to pay all the due premiums without any interest and the same shall be subject to deduction of policy administration charge and premium allocation charge as applicable during the discontinuance period. Discontinuance charges deducted on the date of discontinuance shall be added back to the fund upon revival. The amount lying in the discontinued policy fund II shall by default move to the funds chosen at the time when the Policy moved into discontinuance mode.

If the policyholder fails to revive the policy within the two year revival period, then the proceeds of discontinued policy shall be payable at the end of revival period or end of lock-in period, whichever is later

In case of death during the period the policy is in discontinuance, the "Proceeds of the Discontinued Policy" shall be payable.

"Proceeds of the Discontinued Policy" means the fund value as on the date of discontinuance plus entire income earned after deduction of the fund management charges, subject to a minimum guaranteed return of 4% p.a. or as prescribed by IRDA of India from time to time.

Discontinuance of Premium after Five Years from the Date of Commencement

Where a Regular Premium due after the fifth policy anniversary remains unpaid at the end of the Grace Period, the Company

shall send a notice within a period of 15 days from the date of expiry of grace period to Policyholder to exercise below referred options, within a period of 30 days of receipt of such notice.

- a) To revive the policy within a period of 2 years from the date of discontinuance; or
- b) Complete Withdrawal from the Policy without any risk cover; or
- c) Convert the Policy into Reduced Paid Up.

From the expiry of the Grace Period, till Policyholder exercise the option or till the expiry of notice period whichever is earlier, the Policy is deemed to be in force and the risk cover will continue. During this period Mortality charge, Fund Management charges and Policy Administration Charges will be deducted as due. In case of death during this period, the death benefit as mentioned under "What are your Benefits?" shall be payable immediately on death

If Policyholder chooses option (a) i.e. to revive the policy, Policyholder have to revive the policy within 2 years from the date of discontinuance, during this period, the Policy is deemed to be in force with risk cover as per terms and conditions of the Policy. If the policyholder fails to revive the policy within the two year revival period, the Policy shall be completely withdrawn.

At the time of revival, Policyholder is required to pay all the due premiums without any interest and the same shall be subject to deduction of policy administration charge and premium allocation charge as applicable during the discontinuance period. Discontinuance charges deducted on the date of discontinuance shall be added back to the fund upon revival. The amount lying in the Discontinued Policy Fund II shall by default move to the funds chosen at the time when the Policy moved into discontinuance mode.

If Policyholder chooses option (b) i.e. complete withdrawal from the policy without any risk cover or does not choose any option within the notice period of 30 days, the Policy shall be completely withdrawn

If Policyholder chooses option (c) i.e. Convert the Policy into Reduced Paid-up, policy will continue with the reduced sum assured as defined below

Reduced paid -up sum assured = Basic Sum Assured * (t / n)

Where,

t = Total Premiums paid

n = Total Premiums payable for the entire premium paying term

A reduced paid-up policy will continue as per policy terms and conditions and charges as mentioned under "What are the charges in your policy?" shall continue to be deducted.

Policyholder will have an option of resuming payment of premiums with full sum assured before the end of revival period of two years from the date of last unpaid premium.

Top-ups will not be allowed when the policy is in reduced paid-up status.

Partial Withdrawal will be allowed during the reduced paid-up status

What if I want to discontinue the policy?

Complete Withdrawal

The policyholder can completely withdraw his/her policy anytime during the policy term by intimating the company.

If policyholder requests for Complete Withdrawal from the policy –

- Within the lock-in period; the surrender value i.e. the fund value less applicable discontinuance charges as on the date of discontinuance shall be credited to the 'Discontinued Policy Fund II' as maintained by the Company. The 'Proceeds of the Discontinued Policy' i.e. the fund value as on the date of discontinuance plus entire income earned after deduction of the fund management charges, subject to a minimum guarantee of interest @ 4% p.a. or as prescribed by IRDA of India from time to time shall be paid to the policyholder after completion of the lock-in period.

In case of death of the insured during this period the "Proceeds of the Discontinued Policy" shall be payable to the nominee immediately.

- After the Lock-in Period; the total fund value as on the date of complete withdrawal shall be paid to the policy holder.

Lock-in period means the period of 5 consecutive years from the date of commencement of the policy, during which period the proceeds of the discontinued policies cannot be paid by the insurer, except in the case of death or upon the happening of any other contingency covered under the policy.

Mortality Charge⁸

The Mortality Charge of the Basic Policy will be deducted by cancelling Units at the current NAV, from the Regular / Single Premium Fund value of the Policy on each Policy Month Anniversary. In case of the Top-up Sum Assured, the same will be deducted from the Top-up Premium Fund Value. If the Regular / Single Premium Fund Value is insufficient, then mortality charge will be deducted from the Top-up Premium Fund Value, if any and vice-versa.

Mortality charge = Sum at Risk (SAR) multiplied by the applicable Mortality Rate for the month, based on the attained age of the Life Assured.

Sum at Risk in each month for Regular / Single Premium Account is the difference between:

a) Maximum of (Basic Sum Assured net of all deductible partial withdrawals, if any, from the relevant Regular / Single Premium Fund Value or 1.05 times total Regular / Single premiums paid)

and

b) Regular / Single Premium Fund Value at the time of deduction of Mortality Charge

Sum at Risk in each month for Top-up Premium Account is the difference between:

a) Maximum of (Top-up Sum Assured, from the relevant Top-up Premium Fund Value or 1.05 times total Top-up Premiums paid)

and

b) Top-up Premium Fund Value at the time of deduction of Mortality Charge.

Sample Age	Mortality Charges per 1,000 Sum at Risk (₹) (per annum)
25	1.187
35	1.122
45	2.428
55	5.751

⁸The Mortality Charges will be guaranteed for the period of the policy term. Females and smokers lives will be treated at par with other standard lives and will not be charged any extra amount.

For complete details on mortality charges visit us at www.tataaia.com

Discontinuance Charge

The policy holder can discontinue paying premium anytime during the policy term by intimating to the company. However when the request for discontinuance from the policy is within the lock-in period of 5 years from policy inception, total fund value, net of discontinuance charges as on the date of discontinuance shall be put in the 'Discontinued Policy Fund II'. The 'Proceeds of the Discontinued Policy' i.e. the fund value as on the date of discontinuance plus entire income earned after deduction of the fund management charges, subject to a minimum guarantee of interest @ 4% p.a. or as prescribed by IRDA of India from time to time shall be paid to the policyholder only after completion of the lock-in period.

The following table shows discontinuance charges applicable for Single Pay Option

Policy year	Discontinuance charge

There are no discontinuance charges applicable on the Top-up premium Fund Value.

Partial Withdrawal Charge

There are no partial withdrawal charges under this plan

Fund Switching Charge

There are 12 (twelve) free switches per policy year. Thereafter a charge of ₹ 100/- per switch will be applicable. This Charge may be revised as deemed appropriate by the Company subject to prior approval of IRDA of India but shall not exceed a maximum of ₹ 250/-.

Miscellaneous Charge:

Premium Re-direction Charge

There is no Premium Re-direction Charge.

⁷The Company may alter all the above charges (except Mortality Charge and Premium Allocation Charges which are guaranteed throughout the term) by giving an advance notice of at least three months to the policyholder subject to the prior approval of IRDA of India and will have prospective effect.

In case of Single Premium Policy, the policy will terminate as and when the total fund value becomes less than or equal to 1% of Single Premium and the balance Fund Value shall be payable to you. This situation may result because of the combined impact of partial withdrawals at inopportune time and fund performance.

After completion of premium paying term for regular premium policy, the policy will terminate as and when the total fund value becomes less than or equal to one Annualised Premium and the balance fund value shall be payable to you. This situation may result because of the combined impact of partial withdrawals at inopportune time and fund performance.
